

Policy Name: Learner Capacity

Number: E-1

Policy Type: Ends

Date Approved: January 27, 2007

Date Revised: August 28, 2007
October 18, 2007

Learners have capacity for career and life success.

This is further interpreted to include, but is not limited to:

1. Learners have skills, knowledge and opportunities to develop attitudes to obtain jobs in their chosen fields
 - 1.1 An increasing proportion of FNMI students have skills, knowledge and attitudes to obtain jobs.
 - 1.2 Graduates can compete in a global marketplace.
2. Learners who wish to pursue further post-secondary education have the ability to transfer to reputable post-secondary institutions.
3. Learners have opportunities to develop skills to become engaged citizens.
4. Learners develop critical thinking and innovative problem-solving skills.
