

Policy Name: Enhanced Economic Viability of Community

Number: E-2

Policy Type: Ends

Date Approved: January 27, 2007

Date Revised: August 28, 2007
October 18, 2007

There is enhanced economic viability of the community.

This is further interpreted to include, but is not limited to:

1. The College will build on its strengths and become a College of Distinction.
2. Employers have opportunities to partner with the College to enhance economic viability.
3. The community will have the opportunity to learn more about access to global markets.
