BOARD OF GOVERNORS POLICY

Policy Name: Ethical Research

Number: EL-11

Policy Type: Executive Limitations

Date Approved: November 21, 2006

Date Revised:

The President shall not cause or allow research involving either human participants or animals that does not adhere to generally accepted ethical principles.

Further, without limiting the scope of the above statement by the following list, the President shall not:

1. Operate without guidelines for ethical research that are readily available to potential researchers.
2. Operate without a mechanism that provides for independent ethical review of all research proposals and assistance to the researchers in identifying and solving ethical problems.
