BOARD OF GOVERNORS POLICY

Policy Name: Accountability of the President

Number: BP-2

Policy Type: Board-President Relationship

Date Approved: March 17, 2009

The President is the board's only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the board is concerned, is considered the authority and accountability of the President.

1. The board will never give instructions to persons who report directly or indirectly to the President.
2. The board will refrain from evaluating, either formally or informally, any staff other than the President.
3. The board will view President performance as identical to organizational performance, so that organizational accomplishment of a reasonable interpretation of board stated Ends and compliance with Executive Limitations as reasonably interpreted will be viewed as successful President performance.
